

Oxford City Mobiliser Internship

Help build The Wave, the UK's biggest ever demonstration on climate change!

Do you live in Oxford? Do you know your local climate campaign scene? Are you happy talking to people, organising meetings, publicising events, networking with a range of local organisations? On Saturday 5 December 2009, ahead of the crucial UN climate summit in Copenhagen, tens of thousands of people from all walks of life will flow through the streets of London to demonstrate their support for a safe climate future for all. We need a friendly and helpful volunteer to help build The Wave, working one-two days per week from the COIN office in Oxford.
